Course

Start at Sylvan Beach, travel through beautiful Main St. and Five Points Town Plaza of La Porte, get on 146 and go over the Fred Hartman Bridge. You are more than half way done! Turn around and come back for a nice finish and great post race party at Five Points Plaza. Detailed course description can be found on the website.

Bag Drop

We will have bag drop off at the start, where volunteers will tag your bag with your bib number and will bring your bag to the finish area. You can pick your bag up at the finish when you are done with the run.

Race Time Limit

The race time limit is 4 hours. Time limit is strictly enforced! Bridge races involve special permission and cooperation by local authorities, police and emergency response teams, and impact motor vehicle traffic. In order to keep doing these races, we must comply with the limits set by those agencies. Runners who are trailing far behind may not be allowed back on the bridge for their final loop. Runners should be done with the turn around and heading back onto the Bridge by 9:50 AM: that's 2 hours and 20 minutes from start time.

Race Etiquette

Line up at the starting line according to how fast you plan to run or walk the event. Slower runners and walkers should move to the back of the race pack. On the course, **stay to the RIGHT** to allow faster runners to pass on your LEFT. On the Fred Hartman Bridge, runners going towards Baytown will be closest to the concrete shoulder. Run or walk no more than two abreast.

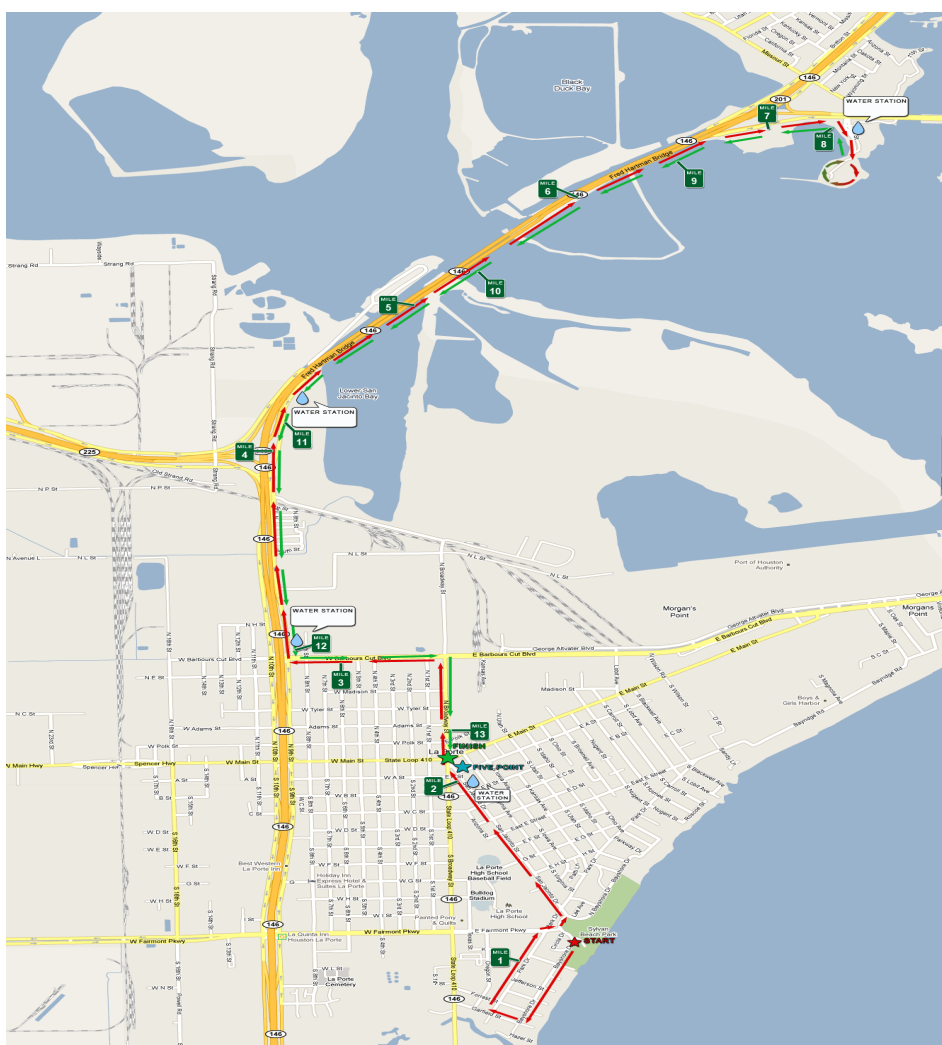

Water Stations

All stations will have at least water and Lemon Lime flavored Gatorade. Locations: Start and Finish, plus every 2 miles. NOTE: there will be NO water stations on the Bridge!

Water Station Sponsors:

BARC – Durrett Motors – The Bridge Over Troubled Waters

Course Map

Photography

All finishers will receive a finisher's medal. In addition, those who have completed the Texas Bridge Series will be given the series completion award as well at that time.

Getting Back to Start Point

It's a short 1/2 mile walk back to the Start at Sylvan Beach.

Post-Race Party

After you finish your event, stick around and cheer in your fellow runners and walkers, and party in the park with us. There will be lots of food, fun, and entertainment for your enjoyment. Libations will include Miller 64, Miller Lite, Flight, and perhaps Heineken 0.0. Food will include – Vegetarian rice and beans, pizza (pepperoni, cheese), sausage and chicken soup (in cold weather).

Weather Contingencies: In Case of Bad Weather

RAIN

The event will NOT be canceled due to rain alone unless the downpour is such that athletes, police, and volunteers lose visibility making situations unsafe. If this occurs we will wait until the rain subsides and follow the same procedure listed for lightning conditions (minus the 30-minute rule). Athletes will be informed of such a change via announcements on race morning.

LIGHTNING

In the event of lightning the race will be postponed by 30 minutes every time lightning is spotted and thunder is heard within 6 miles of the event. Please note that every time lightning strikes and thunder is heard within 6 miles of the race site we must delay the start by 30 minutes.

TORNADO WARNING

If at anytime before (race morning close to starting time) or during the event, a tornado warning is issued, the race will be canceled.

ON COURSE CANCELLATION

If the race is canceled due to storms (lightning and/or excessive rain) or tornado warnings while it is in progress we will do everything in our power to alert everyone on the course. All police, SAG, and medical personnel will be made aware and do all they can to warn and SAG in all participants. We will also do everything in our power to assist those that are still on course. Those that are on course without means of rescue should seek immediate shelter via open stores, buildings, garages, homes and/or any other means of protection from the dangerous conditions. If it gets worse and we are not there to help you off the course please do everything you can to keep yourself safe and take shelter.

Because of agreements with the Texas Department of Transportation and various municipalities regarding a fixed amount of time to have roads closed or in use or the time of public safety or law enforcement officials, Running Alliance Sport, at any time, reserves the right to shorten the distance of any of its races to comply, especially in dealing with inclement weather conditions that may make any course unavailable or unsuitable for runner participation.

**MILES FOR A
MILLION**

For the last several years, Running Alliance Sport has been involved in a campaign to raise a million dollars for charity. We called it our Miles for a Million Campaign, and every runner in our races has contributed, as well as so many others. In 2022 we did it! RAS runners, contributors, sponsors and friends have raised ONE MILLION DOLLARS for our charity beneficiaries! In 2023, we are renewing the campaign. Please help us raise the next \$1 million!

About Us

Calling the greater Houston area home, Running Alliance Sport (RAS) is a not-for-profit event production company that has a passion for producing quality running events which in turn support local communities and its charities. RAS successfully works with city governments in Seabrook, Nassau Bay, Kemah, La Porte, Baytown, Galveston and Tiki Island to produce eight races annually from March to November that engages nearly 500 volunteers, sends over 10,000 runners and walkers across finish lines and has donated over \$1 million to local charities since its inception in 2011. For more information, please visit runningalliancesport.org.

Net proceeds from the La Porte By the Bay Half Marathon go to The Bridge Over Troubled Waters, better known as "The Bridge."

"The mission of The Bridge is to offer support, provide safety, and prevent domestic and sexual violence." To learn more about The Bridge and how you can help, visit their website at thebridgeovertroubledwaters.org.

About Us

The Bridge Over Troubled Waters' mission is to offer support, provide safety and prevent domestic and sexual violence. Adults and children in crisis situations need specialized care and a stable environment to thrive. They need advocates: people who will assess their needs and ensure they receive the services necessary to move on to healthy, successful futures. The Bridge focuses on specialized programs that not only help children and adults heal from the effects of abuse, but also those that address the complex dynamics that allow family violence to perpetuate in order to help break the cycle of domestic violence.

The Bridge helps victims find hope where there once was none. Join us as we help women, children, and men in our community break the cycle of violence. United as a community, we help people in their suffering and continue our mission to offer support, provide safety, and prevent domestic and sexual violence.
